

Mogadore VFW Post 8487 presents check to Suffield Fire Department

The Mogadore VFW donated a check to the Suffield Fire Department in the amount of \$11,975 on December 14, 2007. This money was used to purchase a vehicle stabilization device used for car crashes, a medical device to measure the amount of carbon monoxide in a person's blood, and to upgrade 11 portable radios that were obsolete and parts were no longer available. The Suffield Fire Department is very grateful and indebted to the VFW post for their tremendous support of our organization and our community.

Chief Robert Rasnick, Gordon Smith, Harold Loudin, Asst. Chief Gordon Miller
